Zoom-chat Discussion Notes: The Bainbridge Community Foundation

- ✓ **Steve Kersten:** rings bell.
- ✓ **Robert Weschler:** Your ideas are always welcome to Sustainable Bainbridge (sustainablebainbridge.org).
- ✓ **Kevin Dwyer:** Upcoming Accelerate Kitsap workshops. Visit website for details (acceleratekitsap.weebly.com). Contact Stuart Walton for more information or to sign up, snwalton3@gmail.com.
- ✓ **Brigette Yates** – "BCF, The most fun I've ever had."
- ✓ **Jim Hopper** – 10 years doing BCF. We're in our new office now, next to the Madison Diner. Partnering with HRB to manage the affordable housing "550 Madison Fund." COBI has their "Race Equity Task Force" to support diversity on the island. Kitsap Community Foundation is older (30 years now); we have a good relationship with KCF. BCF does site visits to every grant applying organization, not just evaluating paperwork. We also work closely with COBI, helped them develop their *human services survey* that they do every 2-3 years.

Jim, consider this question, "What brought you here to Bainbridge?" ***Cilla*:** I came here to get my Masters in Sustainability at Bainbridge Graduate Institute. I love the natural beauty, the trees and the water. As a mother of a child of color, we might venture away at some point. ***Robert*:** Green people. ***Linda*:** Like Brigette, the island reminded me of small towns and that drew me here. I have lived here for 40 years! ***Steve*:** Came for a shipping job, moved from the New York area. Now retired. ***Wynne*:** Grew up here, lived in Seattle for some years, came back in 2011. ***Judy*:** I moved to B.I. in 1990 for quiet, community vibe. I moved to Pt. Townsend a year ago as a "test". I maintain my friend & biz relationships. ***Dave*:** Jan and I came here in '89. Jan started teaching at Suquamish Elementary, North Kitsap School District. As a homemaker and novelist, my first 2 years here I took a job washing dishes at the Streamliner Diner, ended up a good way to learn about the Island. We've always loved the Island arts communities, writers, painters, sculptors, museums, and Island support for the arts. ***Chris*:** Settled here in '89 with nothing but my backpack after hiking the Pacific Crest Trail because it was most like my hometown in rural/suburban Blauvelt, NY, near the New Jersey border.
