

**Bainbridge Business Connection, Year 14.**

- ✓ **Dave:** welcome to another edition of virtual in the clouds BBC 2022.
- ✓ **Wynne:** The Robert O. Smith Show back in the 1960s and 70s (see [pugetsound.media/tag/robert-o-smith/](https://pugetsound.media/tag/robert-o-smith/) and obit at [allaccess.com/net-news/archive/story/76083/seattle-vancouver-personality-robert-o-smith-dies](https://allaccess.com/net-news/archive/story/76083/seattle-vancouver-personality-robert-o-smith-dies)). Note: you can find my blogs on [klikcloud.com/blog/](https://klikcloud.com/blog/). PS, to Steve, I recommend Ocean City Restaurant, 609 South Weller St, Seattle, when you go see the Van Gough exhibition.
- ✓ **Ken:** I was DJing records at KTAC, Tacoma, for 6-8 months; back in the day....
- ✓ **Donna:** once interviewed Dick Clark on a local radio station. BARN has a great studio for podcasts and video blogging.
- ✓ **Dave:** video blogging as artist or writers is a valuable promotion tool. Word of the day: “anomaly.”
- ✓ **Steve:** shout out to Ryan Skyler, Anywhere Technologies ([anywheretechnologies.co](https://anywheretechnologies.co)), for saving “my bacon” when I had a ransomware type email phishing attack on my computer! Thanks, Ryan.
- ✓ **Ken:** the number of startup small businesses across the country is phenomenal – it’s anomalous!
- ✓ **Louis:** asked the question (of Ken) - How does one go about getting people interested to be on one’s board of directors for their business, in my case FWARC, a non-profit start-up? Recommendation for webhosting, [omnis.com](https://omnis.com). Fort Ward Amateur Radio Club website: <https://atdlines.com/fwarc-1.htm>.
- ✓ **Bill:** simplicity, this is my thought for the day and for 2022, which Cilla spoke of recently, practice peacefulness, as in a Zen kind of way - it’s very helpful.
- ✓ **Abell:** Just moved to new place; busy busy! Recently finished update of [The Island Wanderer](https://theislandwanderer.com) website!
- ✓ **Donna:** serenity and peace is a good business goal; anomalies can be the opposite. Look at the things you can do and can change, but don’t focus on the thing
- ✓ **Chris:** condominiums on B.I., now there are 55 on the island, up from, years ago, 4-5. Trend, “condominiize” their property. [Dave: I believe Chris has invented a new word today!]
- ✓ **Mickey:** still planning to have the Grand Old 4th! July 2nd Rotary Auction as well.
