

Reminder: it's time to party...
Thursday April 14th

Here's a sneak peek at the cake topper...

Chamber "After Hours"

at OfficeXpats

Thursday, April 14th

5:30pm - 7:30pm

Just like in the good ol' days, OfficeXpats is celebrating its anniversary by hosting the Chamber of Commerce After Hours. Unlike those ol' days, you must RSVP with the Chamber and score a free ticket as a guest of OfficeXpats (call 206-842-3700 or send a note to [Mickey Molnaire](#)).

Wait... wasn't the anniversary way back in September of last year? Yes, and it was our 10th year, so it should have been a biggie. But, well, Covid. So now 10.5 is the new 10!

- Enjoy tasty complimentary beverages courtesy of the After Hours 2022 principal sponsor, **Eleven Winery**.
- Enjoy appetizers from **Green Pot Deli**, a new restaurant downstairs in the Pavilion, and of course anniversary cake.
- The agenda is mostly networking and socializing, but midway through you will hear stories from members about how this coworking space got its start, or how it keeps them going.

Admission is free to members and invited guests, with a \$20 charge for non-members. RSVP (206-842-3700 or email [Mickey Molnaire](#)) with the Chamber and tell them you are a guest of OfficeXpats (we have 30 free spots for our own guests, so please grab one of these before they are gone).
